## ON-CUE™ has the talent... all of it.

Talent woes like these keeping you up at night?

- Unproven or unpolished talent
- On-site surprises
- Limited selection of diverse talent
- Not enough time in your day to find the right people

Our talent team knows: PERSONALITY is *far more powerful* than POWERPOINT.

We throw away the cookie cutter, creating something *unique for you every time*.

We don't have a pool of talent. Nor a river, or stream, or lake, or fjord. We have an **ocean** of diverse talent. Here are just a few roles our talented team loves to take on:

Hosts & Facilitators

Tradeshow Presenters

Improvisors

Classically Trained Actors

Variety Acts Readers

Musicians
