Creative Director / Writer

Freelance Writer/Creative Director: June 1991- Present

As a Writer/Creative Director I have been tasked throughout the years with creating experiences to deliver content in unique manners. My speeches, videos, and live sketches, have appeared in hundreds of corporate events. My involvement with projects varies from the proposal stage to strategy sessions through execution. My list of long term clients include a wide variety of industries:

- **AT&T:** Training videos, 10 years
- **Exxon Mobil:** Live sketches and videos for National Sales Meeting, 5 years
- **Mass Mutual Insurance:** Live sketches and videos for National Sales Meeting, 10 years
- **ABC Supply:** Live sketch and videos for National Sales Meeting, 8 years
- **Wells Fargo Home Mortgage-** National Sales and Service conference, 15 years
- **AbbVie-** Various product launches and National Sales Meeting, 10 years
- **Eli Lilly Pharmaceuticals-** Various product launches and National Sales Meeting, 7 years

Freelance Director: June 1991- Present

For over twenty years, I have been directing corporate videos for a wide variety of industries with budgets ranging from \$20,000 to \$100,000. Many were originally designed to act as delivery vehicles for key messaging at live events such as product launches, national sales meetings, and tradeshow. I specialize in using actual clients to convey these messages and combine their performance with professional talent to create a unique blend of infotainment. Whether it's an executive's "call to action" or a television parody introducing an award winning artist my success relies heavily on my three decades as an improvisational comedian and freelance creative director:

- **Coca-Cola:** "A Day in the Life of New Coke" (Museum Installment)
- **Keep Meeting Live:** Virial Video Campaign
- **Maker's Mark:** "The Formula," Interactive Museum Installment
- **Wells Fargo Home Mortgage:** 15 years of National Sales Meeting Videos
- **AT&T:** The Perfect Pitch, Training Video Series
- **Eli Lilly:** Various Product Branding Videos
- **Barton Brands (Corona Beer):** National Sales Meeting Videos
